

Kestrel Vintners
Winemaker Select
2005 Malbec

Under the floral perfume, blackberry, huckleberry, currant, plum and persimmon are perfectly balanced by toasted oak, vanilla and mocha. This is a deep full bodied, multi-faceted wine with a lingering finish. As all wines from the Kestrel View Estate Vineyards you can taste a mineral element which seems to be our unique terroir. I like to think of it as being able to taste the earth that the roots of our vines lovingly embrace. 305 cases produced.
