

***Kestrel Vintners  
2004 Signature Edition  
Old Vine Merlot***

*The grapes used for this intensely rich Merlot were planted in our Kestrel View Estate Vineyard in the Yakima Valley in Washington State in 1972. The color is a rich purple-plum. In the aroma you will be greeted by waves of ripe blackberries, cherries, currants, chocolate, vanilla, spice, and the signature mineral characteristic from the terroir. These flavors will repeat on your palate, lingering into the finish. As you explore the depth and breadth of this velvety wine you will appreciate that we chose the best six barrels in our cellar to produce a mere 153 cases.*
